

Judy Bradt

Ms. Bradt, CEO of Summit Insight, brings 29 years of expertise to people who want to grow their federal business. She's an award-winning author, speaker and consultant. Her clients have used her tools and techniques to win new work with current agencies, expansion into new agencies, and connect with hundreds of people they need to know to grow.

Thousands of people have followed her seven steps to success in her book, *Government Contracts Made Easier*.

Her clients' success today is based on the research, tools and techniques she teaches them to build trusted relationships. Ms. Bradt is here today to share some of that insight and the keys to human connection that you'll be able to use for both personal and professional growth.
